COURAGE  
CENTER

# Do you want to **MAXIMIZE** the impact of your gift?

**You can if your company is one of the hundreds that match employee contributions to Courage Center.**

Here's how to take part:

**First**, contact your employer's human resources office and ask if your company matches employee donations.

**Second**, request a copy of the matching gift form. Review the program guidelines to see if Courage Center is eligible to receive matching gifts.

**Third**, complete the form and send it to:  
Courage Center—Development Dept.  
3915 Golden Valley Road  
Minneapolis, MN 55422

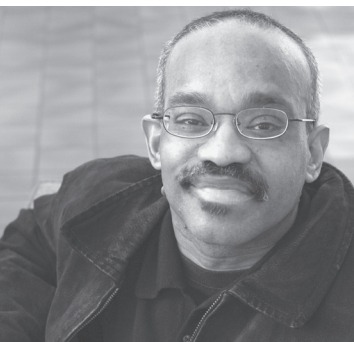

Courage Center processes the form and sends it back to your employer. The company will send its matching donation directly to Courage Center.

**You just maximized your gift!**

**Your generous donation** helps bring Courage Center's wide-ranging programming, designed to empower people with disabilities to realize their full potential in every aspect of life, to more than 10,000 clients each year.

If your company does not currently match employee donations, consider asking it to do so. Together, you and your employer can send a message of support to people with disabilities.

We also advocate for people with disabilities at the legislature and in other public forums.

We have locations in **Golden Valley**, **Stillwater**, **Burnsville** and **Forest Lake**, as well as a sports and recreation office in **Duluth**, and camps at **Maple Lake** and **Lake George**. Courage Center is accredited by the Joint Commission on Accreditation of Rehabilitation Facilities, and is a United Way agency.
